Hi Bob,

Thanks so much for getting this amendment drafted. I think I was unclear in my drafting request though, so I need to clarify what I was asking for in regards to what happens in cases of municipal consolidation. What we wanted to clarify was that when two communities form into one through the consolidation process, any municipal courts that existed in the former communities would be abolished. I think that Section 1 of this amendment does the opposite. If you could please redraft sec. 1 of the amendment to reflect this, I would really appreciate it. Sec. 2 regarding the days of operation for the court looks good.

Thanks again Bob,

Mike in Rep. Parisi's Office
